1

### Nova Scotia's Historic Acadian Village

Located on a beautiful 17 acre site that provides a breathtaking view of the Pubnico Harbour, the historic Acadian Village of Nova Scotia invites you to step back in time to discover the heart, life, and culture of the Acadians in the early 1900s. It is an ideal setting to learn more about the greatest source of pride of the Acadian people – the deportation of 1755 and their continuing prosperity.

Stop

2

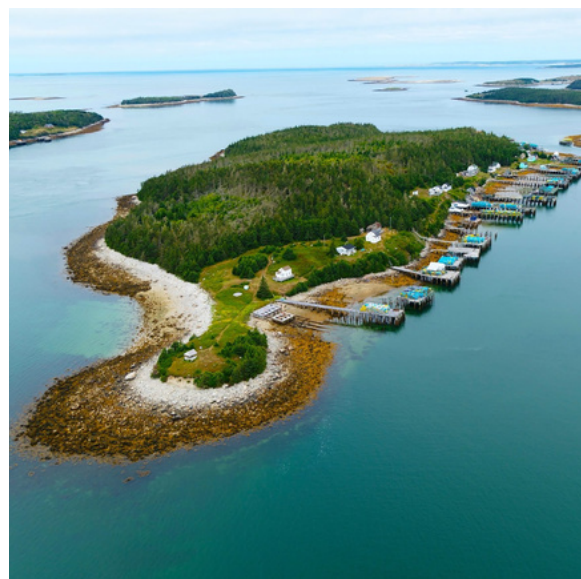

### Musée des Acadiens des Pubnicos

When visiting the Musée des Acadiens, you will be taking a time machine back to 1653 to meet with its founders and appreciate the resourcefulness of its residents. It also houses a research centre, Les Archives Père Clarence d'Entremont, which has more than 6,000 original publications on various supports. The program also includes a guided tour of a traditional Acadian garden.

Stop

3

### Tusket Island Tours

The LeBlanc brothers invite you to board their new fully equipped 50-foot boat, the *John Harold*, for a memorable guided tour of Tusket Island! They will share with you the history of their region and cook delicious seafood chowder for you right on their boat.

Stop

4

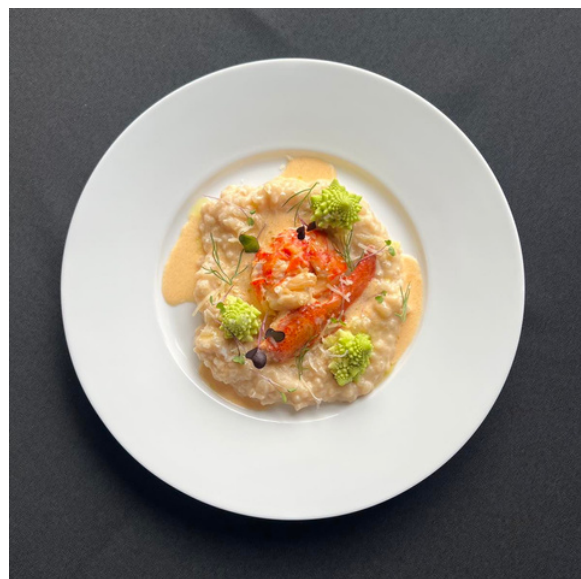

### Deep Sky Eye Observatory

For about two hours, amateur astronomer Tim Doucette will provide you the basics of astronomy in his observatory before you can peer at the beauty of the celestial archway with binoculars. You will then be able to see planets, nebulae and galaxies through the observatory's large telescope.

Stop

5

### La Cuisine Robicheau

For several years, this restaurant located in Saulnierville has received honours galore from guides and tourists for its authentic recipes that respect the quality of the seafood it serves. La Cuisine Robicheau has no peer when it comes to preparing appetizing dishes that evoke the salt water where the main ingredients come from!

Stop

6

### Les Beaux vendredis

Come over to the Belliveau Cove Wharf to enjoy a seafood supper that provides diners with a superb view of St. Mary's Bay. They are also treated to traditional music by *Musique de la Baie* to make for a multisensory experience. The rallying point is the Joseph and Marie Dugas Municipal Park.
