### [Yukon Fishing Adventure](#)

The Yukon Fishing Adventure will enable you to discover wild lakes and rivers far removed from civilization. Normand Leroux, a specialist in recreational fishing stays, can propose adventures for fishers whether they are beginners, experienced, alone or in groups. You will learn all of the tricks needed to catch big fish such as char, trout, pike and salmon.

### [Boréale Explorers](#)

Mountain bike enthusiasts will be spoiled all year round at Boréale Explorers. The team of passionate guides will have you discover paths that snake their way through the boreal forest, valleys and mountains in the vicinity of Carcross and Whitehorse. Yukon with its hundreds of kilometres of paths is now considered the gold standard of cycling.
